

PRIDE WEEK 1990

Let's Clean Up Council Bluffs!

One of the groups of the Leadership Council Bluffs Class of 1990 would like your help in cleaning up Council Bluffs as part of this year's Pride Week activities.

With the support of the Council Bluffs Department of Health, trash bags will be provided for this project, as well as dumpsters for the trash that is collected.

What we need: **VOLUNTEERS!**

DATE:

Saturday, May 12, 1990

(Week BEFORE Pride Week Parade)

TIME:

8:00 A.M. - 12:00 NOON

PLACE:

If your organization has a particular site in mind that needs a good cleaning, it's your choice. If not, several areas throughout the city have been identified - call to reserve one of them for your group.

CONTACT:

Don Dierks, Dept. of Health 328-4666 (days)

Bill Aherns, Leadership CB 323-0248 (evenings)

BRING:

Gloves, Rakes, Etc.

If your group is interested, please call one of the people listed above and let them know:

1. The name of your group, a contact person and phone number
2. Number of people volunteering
3. Preferred location, or request for one

The Leadership CB Group will arrange for your organization to get the needed trash bags and will let you know the location of the dumpsters. If someone from your group has a pick-up truck, it would be helpful to have it available to transport the filled bags to the dumpsters. If not, other arrangements will be made.

Your help is appreciated!
