ls Leadership Council Bluffs it class nominations sought

Dr. William P. Johnson, Leadership Council Bluffs steering committee chairman, has announced the beginning of the nomination process for the Leadership Council Bluffs Class of 1991.

Leadership Council Bluffs is a project of the Council Bluffs Chamber of Commerce designed to sharpen leadership skills by involving participants in a year-long program focusing on their own skills as well as helping participants sense the current and future needs of the community and exploring strategies to posi-

tively confront and deal with these challenges.

By offering opportunities to interact with former and current community, county and state leaders, participants are presented with a chance to exercise their own skills as well as benefit from the experience their own skills as well as benefit from the experience of seasoned leaders.

John W. Balk, chairman of the membership Selection Committee, is accepting nominations for application through Friday. Applications will be due by July 27.
