

Highlights

Mayoral forum scheduled

The Leadership Council Bluffs Alumni Association will sponsor a forum for mayoral candidates at 7 p.m. Oct. 26 at Community Hall.

Nicolette S. Klein, president of the 100-member association, said Don Porter, Iowa Western Community College vice president for management services, would moderate the forum.

She said the format for the forum had not yet been decided.

A recount of primary votes today will determine who will be listed on the ballot challenging Mayor Thomas P. Hanafan in the Nov. 2 city election.

In the initial vote count after last week's primary, Ralph A. Noecker edged out Tim L. Scheel by six votes. Canvass of election results by Pottawattamie County Supervisors reduced Noecker's margin to three votes.

Scheel then requested a recount of the primary ballots.
